Following the VALIDATION request of scientific paper translation entitled “**Arboreal entomophagous arthropods of rice insect pests inhabiting adaptive vegetables and refugia in freshwater swamps of South Sumatra**” (authors **Tili Karenina, Siti Herlinda, Chandra Irsan, and Yulia Pujiastuti**) from the original version of Indonesian to English, UPT Bahasa Universitas Sriwijaya, hereby verifies that after comparing and examining both papers (Indonesian and English versions), and by providing some input, states that the translation has a similar meaning and is in accordance with the original version, so it can be used.

Thus this certificate is made for proper use.

Palembang, 1 July 2019

Head,

Bambang A. Loeneto, M.A., Ph.D.
